

PRODUCT SPECIFICATION SHEET

Product Information

Product Name	AeroMax AM-220 Industrial Air Compressor
Product Code	AM220-15KW
Manufacturer	AeroMax Industrial Technologies
Category	Industrial Air Compressor

Technical Specifications

Rated Power	15 kW
Operating Pressure	8 bar
Maximum Pressure	10 bar
Air Delivery	2.4 m³/min
Motor Speed	1470 RPM
Voltage	415 V AC
Frequency	50 Hz
Phase	3 Phase
Efficiency	92.5%
Protection	IP55
Insulation Class	F

Performance & Operating Conditions

Duty	Continuous Duty
Cooling	Air Cooled
Ambient Temperature	-10°C to 45°C
Noise Level	68 dB(A)
Service Factor	1.15
Weight	285 kg

Applications

Primary Uses	Manufacturing, pneumatic tools, packaging lines
Installation	Indoor industrial environment
Maintenance Interval	Every 2000 operating hours
